SAN BENEDETTO
MILLENNIUM WATER

San Benedetto Millennium Water *Antica Fonte Della Salute*

Millennium Water originates at a depth of 236 metres from an aquifer that is thousands of years old. A water of extraordinary purity, preserved intact to this day, with a nitrate content of less than 0.0001%. Every element of the Millennium Water experience speaks of sophistication. The sinuous bottle design reflects elegance and refinement, turning pure water into a symbol of prestige - **an iconic experience made for the world's most refined settings.**
